## IMPORTANT TO ALL WOMEN READERS OF THIS PAPER.

Thousands upon thousands of women have kidney or bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased. You may suffer a great deal with pain in the back, bearing down feelings, headache and loss of ambition. Poor health makes you nervous, irritable and may be dependent; it makes any one so.

But thousands of irritable, nervous, tired and broken down women have restored their health and strength by the use of Swamp Root, the great Kidney, Liver and Bladder Remedy. Swamp Root brings new life and activity to the kidneys, the cause of such troubles.

Many send for a sample bottle to see what Swamp Root, the great Kidney, Liver and Bladder Remedy will do for them. Every reader of this paper, who has not already tried it, may address Dr. Kilmer & Co., Binghams, N. Y., and receive sample bottle free by mail. You can purchase the regular 50 cent and \$1.00 size bottles at all drug stores.

## PRELIMINARY HEARING HELD

### Guadarama Boys Are Being Examined on a Murder Charge.

Las Cruces, N. M., Feb. 18.—Thursday afternoon at 3 o'clock in justice of the peace Manuel Lopez's court was begun the preliminary hearing of Jose Guadarama, and his brother, David Guadarama, charged with the murder of Ygnacio Pena on the night of February 5th, at Anthony.

There had been a dance at Anthony on this night. Young Pena left home to attend and as he failed to appear at home the next morning and as his home came home riderless, an apprehension of fear seized the parents, who instituted a search. They found evidence of a scuffle near the banks of the Rio Grande, with blood on the ground and hair which was identified as that of young Pena, also a watchband and some other articles which he had seen her son place in his hat to make it smaller. Footprints leading into the river were also discovered. They were sure that their son had been foully dealt with and thrown into the swirling torrent of the muddy stream and when this conclusion was reached the question arose, "Who did the deed?"

After considerable investigation on the part of the local officials and sheriff Felipe Lucero, the two brothers, Jose and David Guadarama, were arrested and placed in jail at Las Cruces under the charge of murder, and a search instituted for the recovery of the body of young Pena, which is supposed to be in the river. The search so far has been without avail.

The main feature of today's testimony for the prosecution was the testimony of sheriff Lucero. Attorney Mark B. Thompson has been retained by Epimano Pena, father of the missing son, to assist district attorney M. O. Liewers in the prosecution. Bonham & Oliver and E. C. Wade are representing the defense.

## Helpful Hints on Hair Health

Scalp and Hair Troubles Generally Caused By Carelessness.

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to some one else. No matter how cleanly the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than it is to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anybody else's hat. Many a hatband is a resting place for microbes.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim. This remedy is called Rexall "93" Hair Tonic. We honestly believe it to be the most effective remedy for scalp and hair troubles and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "93" Hair Tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and make the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair or scalp to know that Rexall "93" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and \$1.00. Remember you can obtain Rexall Remedies in El Paso only at our stores—The Rexall store, People's Drug Store and Kelly & Pollard.
